PLATFORM, MODULAR WORKING, 48' X 16' X 4'**

48' x 16' x 4' Modular Working Platform BA0005  
(with Modular Oil Bladder Transfer System VA2290 components)

The 48' x 16' x 4' Modular Working Platform BA0005 is a work platform that is used in remote locations that do not provide sufficient equipment or accessibility for properly conducting an oil spill response operation. The barge decks accommodate the storage and assembly of oil response equipment.
